

ATTESTATION OF CONFORMITY

CARB – 17-06-20-03

In accordance with the provisions of Third Party Certification and after assessing the on-going quarterly supervision as required within the Final Regulations Order (FRO) of the Airborne Toxic Control Measure (ATCM) by the California Air Resources Board (CARB), it is hereby affirmed that the production of the certified product

**Extruded Particleboard
in the thickness range 10 mm – 45 mm**

manufactured by

Spanplattenwerk Gotha GmbH

at its manufacturing site

**Spanplattenwerk Gotha GmbH
Mühlhäuser Straße 9
D-99867 Gotha**

meets the requirements of FRO, described in Section 93.120.12 Appendix 2, to ensure the compliance with the emission standards of **Phase 2**.

The approved Third Party Certifier Entwicklungs- und Prüflabor Holztechnologie GmbH (EPH/TPC-10) with the Executive Order **W-17-010** is assigned by the manufacturer (supervision contract no. SPL-11-02-21-01) to perform the quarterly assessment of the factory production control (FPC) and to carry out the stipulated formaldehyde tests by the accredited EPH test laboratory.

This evaluation is based on:

Regular TPC Supervision Report No. 01-2017, dated 20 June 2017

This attestation confirms, as a proof of continued TPC certification, the validity of the Initial Certification No. CARB-11-03-18-01 and CARB-IKEA 12-05-31-01 and remains valid for the agreed surveillance period, unless the requirements and conditions under which this attestation has been issued, have changed considerably.
